

2020-2021 School Calendar

COVID notes: we've eliminated our fall & winter professional development days in hopes that we can use Fridays for this work and to allow for more consistency for families. We do anticipate a potential need to close for covid cleaning/mental health days over the late fall/winter to keep us all safe and will notify you as much in advance as possible (we will TRY and coordinate this with public school closings)

September 1st Stay & Play Orientation (by appointment-stay tuned!)

September 2 & 3rd First days of school year program (note this is a W & TH)

September 7th Labor Day (no school)

June 17 & 18th Teacher Work Days (no school)

June 21-25 Summer Vacation (no school)

July & August: 8 week Summer Program (no early bird drop off & limited extended day options)

*We follow the local district calendars as a guide, but adjust our 5 annual professional days to fit our schedule best. Closings/holidays are already worked into our annual tuition rates, but sometimes during a week with closings there may be an extra day you could pick up to help with work commitments, etc. **Past families will notice that for this calendar year we've eliminated our second conference/prof. dev. day (it helped balance our holiday break closings and we feel so connected by the end of the school year*

*Snow/Inclement Weather Closing Policy: PRCP will make every effort to be open on all scheduled weekdays. However, in case of extreme inclement weather, PRCP may close or delay our opening. Closings will be recorded on our voicemail system by 7am. (at times we are also able to send an email but please do not count on it as power outages and issues with internet connection sometimes prohibit this).

Weather, driving conditions, staffing, and local district closings are all considered when deciding whether or not to close or delay school. Please call the voicemail on mornings when the weather is snowy to make sure we're open.
